TRANSITIONING: Gradually mix in new food over a 7-10 day period, increasing the amount of Merrick Purrfect Bistro Healthy Kitten Recipe each day.

Merrick Purrfect Bistro Healthy Kitten Recipe provides a quality, 100% nutritionally complete and

balanced diet for cats and kittens. Kittens and pregnant or nursing females may consume two to three times the recommended amount. We believe in feeding dry and canned food in combination, whenever possible, to help increase the level of water in your cat's diet. Please have clean, fresh water available at all times. We understand that every kitten is different and that optimal feeding amounts may vary with age, activity level and environment.
