Feed as a treat to your adult dog. This product is a treat and is not intended to be fed as a meal. Feed 3 treats per 5 pounds body weight. The caloric intake from treats should not exceed 10% of a dog's total daily caloric requirement. If treats are given, the amount of food should be reduced accordingly. Monitor your dog to ensure treat is adequately chewed prior to swallowing. Provide adequate fresh water in a clean container daily. For your pet's health, see your veterinarian regularly.
