Merrick Lil' Plates Grain Free Puppy Real Chicken + Sweet Potato Recipe is formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrient Profiles for all life stages, including growth of large sized dogs (70 lb. or more as an adult).

RECOMMENDED DAILY FEEDING AMOUNTS

Weight at Maturity (lbs)	1-1/2 - 3 Months (cups)	4 - 6 Months (cups)	7 - 9 Months (cups)	10 - 12 Months (cups)	1+ Years (cups)
2-12	1/4 to 1-1/4	1/3 to 1-1/4	1/3 to 1	1/3 to 3/4	Feed as Adult
13-22	3/4 to 1-1/2	1-1/4 to 1-3/4	1 to 1-1/2	1 to 1-1/2	Feed as Adult

For puppies over 22 lbs: Add 1/2 cup per additional 5 lbs.

Using the chart, divide the total cups per day by the total number of times you feed your puppy per day to determine the portion size for each meal. Keep a clean bowl of fresh water available at all times. Every puppy is a little different, so optimal feeding amounts may vary with age, size and activity level. Please use this information as an initial recommendation only and adjust when needed. Dry and wet food in combination will help to increase the level of water in your dog's diet. If feeding with wet food, reduce dry amount by 1/2 cup for every 6 oz of wet food. Pregnant or nursing females may consume two or three

times the recommended amount per day.

Transitioning: Gradually mix in the new food over 7-10 days, increasing the amount of Merrick Lil' Plates Grain Free Puppy Real Chicken + Sweet Potato Recipe each day. This gradual transition will help avoid dietary upsets.

For your pet's health, see your veterinarian regularly.
